RKEO V DELTA

RKEO is a versatile general-purpose Delta sheet with Velcro backing, designed to reach into corners and bends with ease thanks to its delta shape. The durable aluminum oxide grit paired with robust E-paper backing ensures efficient material removal and a smooth, high-quality surface finish across all grit sizes.

Our standard range features a 7-hole layout, compatible with most common delta sanders for effective dust extraction and convenient use.

TECHNICAL SPECIFICATION

Backing: B-, C-weight paper with Velcro backing

Grit: Aluminium Oxide

Coating: Open

APPLICATIONS

Wood: Soft and hard wood

Specials: Leather, Composite, Auto and Metal
