

EKAMANT

EKA TWIST

EKA TWIST is a professional hand sanding tool for sheets. The design allows a quick and easy change of sanding sheet. The product is designed for sheets in dimension 70 mm x 155 mm such as our EKA 400 J and RKJFO N standard range.

Compatible with EKA400 J Sheet and RKJFO N Sheet (70 × 155 mm) for ergonomic and efficient hand sanding. See the Hand Sanding Range section for more information.
