

EKAMANT

RKEO V SHEET ROLL

The RKEO V Sheet roll has a Velcro backing for easy and secure attachment. The sheets are general purpose products, sanding a variety of materials cost-effectively. Comes in a handy storage box of 50 m rolls. The rolls are perforated every 125 mm and prepared for easy tearing.

Compatible with the EKA Ergo hand block (70 × 125 mm) for ergonomic and efficient manual sanding. See the Complementary Products section for more information.
